

Thank you for joining the Barlow Youth Basketball Association (BYBA). We are excited for the upcoming year. The following is a contract we require for parents and players. We want everyone to have fun in our league and our goal is to prepare our players for High School Basketball. We will strive to create a league that is recognized for our sportsmanship. Our sportsmanship will be shown through our coaches, parents, players and their family and friends too.

It is not easy to be a middle school referee. At this level, our students are learning to play the game and we teach them fundamentals, so they improve. There will be questionable calls in any sport played. There will be moments where our players make mistakes on the court. Our coaches would never yell at a player for making a mistake. Our coaches will embrace our players with positives and encourage players to minimize mistakes. It's ok to talk to an official, but not make derogatory remarks or yell across a basketball court to make your point. Our coaches and parents need to be engaged in the basketball game and making our players better. Sportsmanship is #1. Attitude Makes The Difference!
