Agenda items

1. Penny Vedus presented the Financials as of 5/31/2016. Current Checking account balance \$16,592.17. With outstanding items, the actual account balance is \$13980.61. Ben Labes questioned Penny on the total cost owing to Barlow High for Gym Space. Ben thought that the total owing should be lower. Ben said he'd follow up on that. Penny mentioned wanting to purchase League Insurance in August (earlier than previously), before tryouts for the Fall season. All agreed. Ben mentioned this was the first time the league has operated in the black at this point of the year, since he's been Director. Ben mentioned an outstanding invoice from a previous vendor that needed more research before being paid.
2. John Hipes reported on "The Academy". "All feedback from parents has been very positive" Ben brought up discussion about a start date for the Summer session. End of June, or after the 4th of July. He's currently talking with Gresham Barlow School District on building use during the summer. Penny asked about possible changes for the next session. Mistie Calcagno brought up the idea of "Drop in punch cards" for players who couldn't be at the entire session, but wanted to drop by on occasion. All agreed a punch card would be a good idea, but need more discussion on how that would work.
3. Ben touched briefly on the return of Middle School Sports and how that will affect The Barlow Youth Program. Trent Inglesby asked when and if that had been made official. Ben mentioned it's a done deal. Ben brought up that he felt it important we encourage the 7th and 8th graders to play for their schools. One possibility is that the 7th and 8th graders play for their school, and when finished take part in a Barlow Youth Basketball tournament team. More discussion will be had on this next meeting.
